From the Executive Director

Dear Friends of YFC:

Like so many of you, I was very happy to put 2020 behind us and I remain hopeful that we will turn the corner and begin the “new normal” era. I will never again take the “ordinary day” for granted.

Despite the COVID-19 disruption, with your support, we were able to maintain our YFC team and acquire the technology needed to

work remotely to ultimately deliver over 10,400 counseling sessions. Thank you to each and every donor listed in this 2020 Honor Roll.

But our work is not done. COVID-19 increased the need for mental health support and created new obstacles to treatment in our community. We remain focused on opening doors to mental healthcare to people from all walks of life. Our 59-year commitment to clinical excellence and affordability means that YFC will continue to rely on philanthropic support to sustain operations, address emerging needs, and deliver excellence in mental health therapy to those individuals and families who need it.

Every year since becoming Executive Director, I remain in awe of the generosity of our YFC family, and I am confident that we can work towards building a community where anyone who needs help can get it.

As always, I welcome the opportunity to connect with you and share our plans for 2021.

On behalf of the 744 clients, we served in 2020, thank you for your continued philanthropic support.

Sincerely,
